## VOCABULARY: NICHE TOURISM EXPERIENCES

**Decide which type of niche tourism each example refers to and add in the appropriate word(s).**

- 0     *battlefield*                          The guided war walk took us through the main areas where the fighting had taken place and ended at the war memorial.
- 1     *m*                                          There was a really friendly atmosphere at the festival and everyone enjoyed dancing and singing along with the acts on stage.
- 2     *c*                                          On the first day we went on a tour of the local market and were introduced to ingredients we would later cook with.
- 3     *w*                                          Going on a safari was an experience of a lifetime. I will never forget how impressive lions look when you see them for real.
- 4     *s*                                          Our guide told us that in Brazil, shanty towns were called 'favelas' and that he was going to take us into one to meet some residents and see how they lived.
- 5     *m*                                          She decided to book a holiday where she could have laser eye surgery and then spend three weeks recovering on the beach.
- 6     *r*                                          The pilgrimage took them to sacred sites in the holy city.
- 7     *s*                                          In the future, we hope to be able to offer more affordable packages so that more people can enjoy the experience of weightlessness as we orbit the Earth.
- 8     *f*                                              *l*                                          I had a great time studying in Lille and made lots of new friends while brushing up my French. Maybe I'll visit again later in the year.
- 9     *e*                                          Jake prefers more adventurous holidays – last year he went ice diving in Russia.

10 g\_\_\_\_\_

Before returning to her ancestral birth place,  
she arranged to meet a distant cousin from her  
mother's side of the family.
